

Certificate of Special Congressional Recognition

*Presented to
Alma College STUNT Team*

Today, I congratulate the STUNT Team of Alma College upon placing second at the Open Division II/III College STUNT National Championships. For the sixth straight year making it to Nationals, the Scots have shown remarkable commitment and dedication to this fast-growing sport. STUNT has allowed remarkable athletes the ability to display technical and athletic components of cheer such as pyramids, basket tosses, and tumbling. This year's STUNT team has demonstrated tremendous athletic ability as well as unity and is more than deserving of this recognition. On behalf of Michigan's Fourth Congressional District, I congratulate the Alma College STUNT Team and wish its members continued success.
