INTRODUCTION

USA Cheer is committed to building a community where Participants can work and learn together in an atmosphere free of emotional, physical, and sexual misconduct. This document is modeled on the US Center for Safe Sport MAAPP. Throughout this document the most commonly used terms are defined in the Terminology section in the back of this document.

USA Cheer requires these policies be adopted and followed by related LAOs, including its local programs and clubs. USA Cheer requires employees, contractors, athletes and members to follow the policies set forth below.

What is the MAAPP?

The US Center for Safe Sport has developed the Minor Athlete Abuse Prevention Policies (MAAPP). The MAAPP is a collection of proactive prevention and training policies for the U.S. Olympic & Paralympic Movement. It has three primary components:

1. An Education & Training Policy that requires training for certain Adult Participants within the Olympic & Paralympic Movement;
2. Required Prevention Policies, focused on limiting one-on-one interactions between Adult Participants and Minor Athletes, that Organizations within the Olympic & Paralympic Movement must implement to prevent abuse;
3. Recommended Prevention Policies.

The Center developed the MAAPP to assist National Governing Bodies (NGBs), Paralympic Sport Organizations (PSOs), Local Affiliated Organizations (LAOs), the U.S. Olympic

& Paralympic Committee (USOPC), and other individuals to whom these policies apply in meeting their obligations under federal law (*note: implementing these policies does not guarantee that an organization or individual fully complies with federal law or all applicable legal obligations*). These Organizations should share these policies with all Participants and with parents/guardians of minor athletes. Those implementing these policies should consider the physical and cognitive needs of all athletes.

The MAAPP focuses on just two important aspects of a much larger comprehensive abuse prevention strategy. These policies address training requirements and limiting one-on-one interactions between adults and minor athletes. These policies are intended to be enforceable and reasonable, acknowledging, for example, that when a 17-year-old athlete turns 18, they become an adult athlete, and a complete prohibition of one-on-one interactions may not be necessary or practical. Additionally, there may be other instances when one-on-one interactions could occur, and in those cases, these policies provide strategies so parents/guardians can provide informed consent if they choose to allow a permitted interaction. **The Center recommends that parents first complete training on abuse prevention to be informed about potential boundary violations and concerns before consenting to the interaction.**

While the MAAPP will help organizations implement these policies to greatly improve minor athlete safety, in no way can they guarantee athlete safety in all circumstances, especially when the policies are not fully implemented, followed, or monitored. These policies are not comprehensive of all prevention strategies, nor are they intended to be. These policies should be implemented alongside [the USA Cheer Safe Sport Code](#). Additionally, other resources are available that may assist organizations in improving athlete safety¹.

USA Cheer has adopted the MAAPP for its members and member organizations. Members are expected to comply with the MAAPP and member organizations are expected to implement the MAAPP at the local level, including informing and training coaches, parents, and athletes and all applicable adults of the policies.

Is the MAAPP Different from the USA Cheer Safe Sport Code?

Yes. The [USA Cheer Safe Sport Code](#) works alongside the MAAPP to prevent abuse. The MAAPP includes proactive prevention policies for organizations and individuals, while the USA Cheer Safe Sport Code contains misconduct policies for individuals. However, violations of the MAAPP can violate the USA Cheer Safe Sport Code, and violators can be sanctioned.

Who is a Minor Athlete?

A **Minor Athlete** is an amateur athlete under 18 years of age who participates in, or participated within the previous 12 months in, an event, program, activity, or competition that is part of, or partially or fully under the jurisdiction of USA Cheer, OR who is in direct supervision of an adult member of USA Cheer.

Who is an Adult Participant?

An **Adult Participant** is any adult (18 years of age or older) who is:

1. A member or license holder of USA Cheer or LAO;
2. An employee or board member of USA Cheer or LAO;
3. Within the governance or disciplinary jurisdiction of USA Cheer or LAO;
4. Authorized, approved, or appointed by USA Cheer or LAO to have regular contact with or authority over Minor Athletes.²

Does the MAAPP Have Any Exceptions?

Yes. The MAAPP was written with certain appropriate exceptions in mind. Exceptions are addressed in each policy.

REQUIRED POLICIES FOR ONE-ON-ONE INTERACTIONS

The U.S. Center for SafeSport and USA Cheer recognize that youth-adult relationships can be healthy and valuable for development. Policies on one-on-one interactions protect children while allowing for these beneficial relationships. As child sexual abuse is often perpetrated in isolated, one-on-one situations, it is critical that organizations limit such interactions between youth and adults and implement programs that reduce the risk of sexual abuse.

ONE-ON-ONE INTERACTIONS

A. Mandatory Components

1. Observable and Interruptible
 - a. All one-on-one In-Program Contact between an Adult Participant and a Minor Athlete must be observable and interruptible, except in emergency circumstances.
 - b. The exceptions below may apply to specific policies, and if the exceptions apply, they are listed in the policy. These exceptions also apply to all one-on-one In-Program Contact not specifically addressed in other policies:
 - i. When a Dual Relationship exists; or
 - ii. When the Close-in-Age Exception applies; or
 - iii. If a Minor Athlete needs an Adult Participant Personal Care Assistant, and:
 - (1) the Minor Athlete's parent/guardian has provided written consent to the Organization for the Adult Participant Personal Care Assistant to work with the Minor Athlete; and
 - (2) the Adult Participant Personal Care Assistant has complied with the Education & Training Policy; and
 - (3) the Adult Participant Personal Care Assistant has complied with the Organization's screening policy; or
 - iv. In other circumstances specifically addressed in this policy that allow for certain one-on-one interactions if the Organization receives parent/guardian consent.

3. Meetings with licensed mental health care professionals and health care providers (other than athletic trainers³)

If a licensed mental health care professional or licensed health care provider meets one-on-one with a Minor Athlete at a sanctioned event or a facility, which is partially or fully under the Organization's jurisdiction, the meeting must be observable and interruptible except:

- a. If the door remains unlocked; and
- b. Another adult is present at the facility and notified that a meeting is
- c. occurring, although the Minor Athlete's identity needs not be disclosed; and
- d. The Organization is notified that the provider will be meeting with a Minor Athlete; and

Amateur Athlete: An athlete who meets the eligibility standards established by the National Governing Body or paralympic sports organization for the sport in which the athlete competes.

Authority: When one person's position over another person is such that, based on the totality of the circumstances, they have the power or right to direct, control, give orders to, or make decisions for that person. Also see the Power Imbalance definition below.

Consent: Consent is (a) informed (knowing), (b) voluntary (freely given), and (c) active (not passive). Consent must be demonstrated by clear words or actions, indicating that a person who is legally and functionally competent has indicated permission to engage in mutually agreed-upon sexual activity.

Consent to any one form of sexual activity does not automatically imply Consent for any other forms of sexual activity. Previous relationships or prior Consent does not imply Consent to future sexual activity. Once given, Consent can be withdrawn through clear words or actions.

Consent cannot be obtained: (a) by force, (b) by taking advantage of the Incapacitation of another, when the person initiating sexual activity knew or reasonably should have known that the other was Incapacitated, (c) from someone who lacks legal capacity, (d) when a Power Imbalance exists

Close-in-Age Exception: An exception applicable to certain policies when an Adult Participant does not have authority over a Minor Athlete *and* is not more than four years older than the Minor Athlete (e.g., a 19-year-old and a 16-year-old). Note: this exception *only* applies within the prevention policies and *not* regarding conduct defined in the USA Cheer Safe Sport Code.

Dual Relationships: An exception applicable to certain policies when an Adult Participant has a dual role or relationship with a Minor Athlete and the Minor Athlete's parent/guardian has provided written consent at least annually authorizing the exception.

Examples of In-Program Contact include, but are not limited to: competition, practices, camps/clinics, training/instructional sessions, pre/post game meals or outings, team travel, review of game film, team- or sport-related relationship building activities, celebrations, award ceremonies, banquets, team- or sport-related fundraising or community service, sport education, or competition site visits.

⁵ This may include volunteers, medical staff, trainers, chaperones, monitors, contract personnel, bus/van drivers, officials, adult athletes, staff, board members, and any other individual who meets the Adult Participant definition

Local Affiliated Organization (LAO): A regional, state, or local club or organization that is directly affiliated with an NGB or that is affiliated with an NGB by its direct affiliation with a regional or state affiliate of said NGB. LAO does not include a regional, state, or local club or organization that is only a member of a National Member Organization of an NGB. In the scope of USA Cheer, an LAO is defined as being any one of our member clubs/programs.

Minor Athlete: An Amateur Athlete under 18 years of age who participates in, or participated within the previous 12 months in, an event, program, activity, or competition that is part of, or partially or fully under the jurisdiction of, an NGB, PSO, USOPC, or LAO, OR who is under the direct supervision of a USA Cheer member or LAO.

Partial or Full Jurisdiction: Includes any sanctioned event (including all travel and lodging in connection with the event) by the NGB, PSO, USOPC, or LAO, or any facility that the NGB, PSO, USOPC, or LAO owns, leases, or rents for practice, training or competition.

National Governing Body (NGB): A U.S. Olympic National Governing Body, Pan American Sport Organization, or Paralympic Sport Organization recognized by the U.S. Olympic & Paralympic Committee pursuant to the Ted Stevens Olympic and Amateur Sports Act, 36 U.S.C. §§ 220501, et seq. When assisting a Minor Athlete, Adult Participant PCAs must be authorized by the athlete's

USA Federation for Sport Cheering: USA Cheer

parent/guardian.

Paralympic Sport Organization (PSO): an amateur sports organization recognized and certified as an NGB by the USOPC.

Power Imbalance: A Power Imbalance may exist where, based on the totality of the circumstances, one person has supervisory, evaluative, or other authority over another. Whether there is a Power Imbalance depends on several factors, including but not limited to: the nature and extent of the supervisory, evaluative or other authority over the person; the actual relationship between the parties; the parties' respective roles; the nature and duration of the relationship; the age of the parties involved; whether there is an aggressor; whether there is a significant disparity in age, size, strength, or mental capacity.

Once a coach-Athlete relationship is established, a Power Imbalance is presumed to exist throughout the including coach-Athlete relationship (regardless of age) and is presumed to continue for Minor Athletes after the coach-Athlete relationship terminates until the Athlete reaches 20 years of age.

A Power Imbalance may exist, but is not presumed, when an Intimate Relationship existed before the sport relationship (e.g., a relationship between two spouses or life partners that preceded the sport relationship).

Regular Contact: Ongoing interactions during a 12-month period wherein an Adult Participant is in a role of direct and active engagement with any Minor Athlete(s). *NOTE: NGBs, PSOs, and the USOPC must submit/include categories of members/individuals that fall under the definition including specific volunteer designations.*

U.S. Olympic & Paralympic Committee (USOPC): A federally chartered nonprofit corporation that serves as the National Olympic Committee and National Paralympic Committee for the United States.
